TO: G. Yancey
Correctional Officer
CTF Central

SUBJECT: Letter of Commendation.

We would like to take this opportunity to express from the Supervisors and managers of CTF Central, Unit I, our sincere appreciation for your valuable assistance in successfully meeting the rigorous A.C.A. Inspection standards of October 5, 1982.

Mr. Milliken, A.C.A. inspector was very impressed with the cleanliness of the Housing Units, and wing officers general knowledge of the overall operation. Your effort during the A.C.A. preparatory process was of the utmost importance.

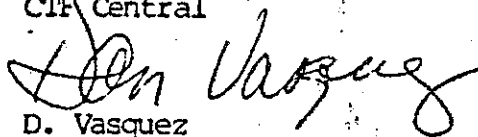

Your task were compounded due to the double celling of CTF Central, that created numerous procedural changes that contributed to the difficulty of the program objectives that you successfully met.

In conclusion, I along with the Unit I Supervisors and Managers would like to take this time to say thank you for a job well done.
