Correctional Officer
Correctional Training Facility

From : **Correctional Training Facility, Soledad 93960**

Subject: LETTER OF APPRECIATION.

Officer Yancey, you are commended for the efforts and the outstanding job you have performed in working with the hardcore gang members at CTF-Central Mainline.

From April 1986 to January 1987, while assigned to Unit II, G-Wing you were instrumental in aiding us solve numerous prison and street gang problems, assaults and discovery of inmate manufactured weapons.

One such case was when you were able to obtain information regarding gang activity between the Mexican/American inmates. Through your efforts and the trust you had developed with these inmates we were able to prevent a possible major incident on the Central Mainline.

It was a pleasure to have you on the Unit II team during these times. You are, without a doubt, an asset in working with our more difficult inmates.

Thank you for the dedication toward your duties and continue in your endeavors for a job well done.

I am recommending that a copy of this letter be placed in your Personnel file as a permanent record of the service you have provided to the Correctional Training Facility.
